Re: *Allergan, Inc. v. Teva Pharmaceuticals USA, Inc.*,  
Lead Case No. 2:15-cv-1455 (E.D. Tex.)

Dear Judge Bryson,

This morning, Allergan assigned its rights in a number of patents, including the patents-in-suit, to the Saint Regis Mohawk Tribe. Allergan now has an exclusive license to the patents-in-suit. Allergan does not anticipate that this assignment will have any impact on the litigation or the issues before the Court, other than it expects to join the Tribe as a co-plaintiff in due course. If the Court has any questions or concerns, we are available to discuss them at the Court's convenience.

Respectfully Submitted,

*/s/ Susan E. Morrison*
